(Members receive a \$20 discount)

GENERAL INFORMATION

Fort Mill Swim Team participates in the Hornets Nest Swim League. We will participate with local Charlotte teams to include Harris YMCA, Marion Diehl Recreation Center, University YMCA, Charlotte YWCA, Lake Norman YMCA, Simmons YMCA, and Charlotte Mecklenburg Aquatic Center. Due to the large number of participants, we are regulated through the Hornets Nest Swim League to divide into two teams. Our emphasis is on fun and improving individually while participating in a team atmosphere.

Equipment Needed: Team suit required (additional fee: \$32-\$55), towel, and a good pair of goggles (Aqua Flex goggles can be purchased at Dick's Sporting Goods as a suggestion).

Practice Schedule: Practices begin Monday, November 15. Ages 6 and under practice 4:00-4:30pm. Ages 5 - 10 will practice 4:00-5:00pm. Ages 11-18 will practice 5:00-6:30pm. Participants are required to attend three practices a week.

Swim Meets: Swim Meets can be crazy and confusing. If you are a first year parent, latch on to some of our veteran parents; they carry a wealth of information. We will also need volunteer parents to help get swimmers ready for heats and timing events. It takes a lot of volunteers to make a swim meet run smoothly. Meets are held on Saturdays, beginning in late January and will end March 12. Warm ups usually begin around 4:00pm and meets usually last approximately three hours. Parents are responsible for transportation to and from meets. Swimmers must compete in two meets to be eligible for Championship Meet.

Coach: Harry Truesdale and Krystal Norman are the swim coaches. Harry is the Aquatic Director at the Complex. If you have any questions please call Harry Truesdale at 803-547-1054 or email him at harrytruesdale@leroyssprings.com.

Frequently Asked Questions:

What age does the participant have to be for this program? Program is designed for participants 5 - 18 years old.

How well does my child have to swim? Participates must use some form of freestyle and backstroke the whole length (25 yards) of the pool without stopping or holding on to the lane line. This will be strictly enforced. Additional stroke clinics are available beginning in October. There is an additional charge for stroke clinics.

Thank You!

**You had a choice and you chose Leroy Springs Recreation.
We appreciate your business and hope you choose to continue
to participate with us often.**
