

Kids at Play

We are proud of our child care area and are sure that your children will enjoy themselves! We care for children ages *six weeks through eight*.

Sign In/Sign Out

When you arrive at the child care area, please sign your child in and note where you will be in the facility in case we need to speak with you. If your child cries or seems distressed for more than ten minutes, we will make every effort to notify you so that you may come and help your child. Please be sure to sign out your child prior to leaving the child care area.

Snacks

We cannot be responsible for preparing formulas or serving meals to the children in our care.

Illness/Contagious Conditions

The parent of any child who appears to have any illness or contagious condition including, but not limited to, cold or cough, diarrhea or vomiting, nasal or ear discharge, fever, contagious rashes or head lice will be asked to remove their child from our child care area. The child may not return until he/she is symptom free or has a doctor's note stating that the child is not contagious. In any case, sick children should not return to the child care area for 48 hours. Our staff cannot administer medication.

Stay Close

All children using the child care facility must have a parent or guardian *in the facility at all times*. This is in the best interest of your child.

Belongings

If your child is not completely potty trained, he or she needs to be in a diaper or pull-up. Diapers for each child should be provided by the parent. Please label all bags and diapers. Pacifiers must be attached to the child's clothing with a pacifier pal or similar device. We recommend that personal toys be left at home.

Hours:

Monday--Friday

8:00am to Noon

Monday--Thursday

6:00pm to 8:00pm

Last child sign-in time is 11:30am or 7:30pm.

Please observe the one and a half hour time limit
